“Type I activity” means an activity organized and conducted by the County of Maui, or any other agency, department or division of the State of Hawaii or its political subdivisions, or by the United States federal government; provided no revenues are generated by the activities of such other agencies, departments or divisions.

13.04.020
13.04.080
13.04.090

“Type II activity” means an activity open to the public and co-sponsored by the County which does not generate revenue by charges or donations for admission to attend the activity or from other revenue-generating sources related to the activity such as registration or participation fees, but excluding revenues generated from temporary refreshment concessions as defined in section 13.04.150(C).

“Type II (CC) (community class) activity” means an activity open to the public, organized and conducted by an instructor approved by the community class program for the County of Maui, Department of Parks and Recreation, which generates revenues by charging for admission to attend the activity.

“Type II (R) activity” means an activity open to the public and co-sponsored by the County of Maui which generates revenues by charges or donations for admission to attend the activity or from other revenue-generating sources related to the activity such as registration or participation fees and concessions.

“Type III activity” means an activity organized and sponsored by a person, registered political candidate, political organization, or nonprofit entity which does not generate revenue by charges or donations for admission to attend the activity such as registration or participation fees, but excluding revenues generated from temporary refreshment concessions as defined in Section 13.04.150(C). On-going (thirty days or longer) organized youth and adult sport leagues that assess registration or participation fees to their participants or members may qualify under this Type III category, provided the director confirms that the fees assessed are solely being used to offset the expenses of operating such leagues such as equipment, insurance, officiating, and park/facility permit fees and expenses.

“Type IV activity” means an activity organized and sponsored by a registered political candidate, political organization, or nonprofit entity which generates revenue by charges or donations for admission to attend the activity or from other revenue-generating sources related to the activity such as registration or participation fees, and concessions.

“Type V activity” means an activity organized and sponsored by a person or entity for the purpose of carrying on a profit-making enterprise.

EXCEPTIONS TO BASE FEES - ADDITIONS:

After-the-fact permit and assessment fees: See Table B

Applicant Initiated Resubmittal: At the Director of Planning's discretion, after an application has been accepted by the Department of Planning as complete for submittal to the applicable decision making authority, the application will incur an additional 50% of the original project fee if any changes are initiated by the applicant to the project's scope or size which necessitate the Department substantially revising its review and analysis and/or returning the project to the decision making authority for reconsideration and new action.

EXCEPTIONS TO BASE FEES - DISCOUNTS:

Concurrent Processing:

Permit or development applications which are being processed concurrently with other permit or development applications processed by the Department of Planning shall be charged the full fee for the first application and 50% of the normal fee for each additional application to the extent processed at the same time as the first application.
